

AQAR 2021-22 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

In our college there is a Grievance Redressal Cell, a Women Cell and Student Welfare Cell to ensure that grievance, problems etc. are effectively resolved. A box is kept in the college, in which students drop their complaints, which are then looked into by the teacher in charge and the head of the institution. By constituting separate Grievance Redressal Cells for teaching and non-teaching staff. The function is to ensure an environment to the employees to grow professionally, perform optimally and resolve perceived grievances. When grievances are resolved, the stakeholders feel respected and valued in the institution.
