Internal Marks

Dept. of History

For internal marks two assessments are taken in a semester, which are-

1. Research Assignment
2. Seminar

Objective of Research Assignment-

The objective of this assignment is to help students deepen their understanding of history by exploring key historical events, figures, and concepts. Through research and analysis, students will develop a deeper appreciation of the impact of history on contemporary society.

Another objective of this assignment is to foster students' interest in history by engaging them in critical thinking and reflection. By examining history from multiple perspectives, students will learn to appreciate the complexity and richness of the subject matter.

A final objective of this assignment is to encourage students to explore a historical place of their choosing. Through site visits, interviews, and research, students will gain firsthand experience of the history that surrounds them. This will help them to develop a deeper connection to the subject matter and to see the relevance of history in their daily lives.

Objectives of Seminar-

The objective of this seminar is to provide students with opportunities to develop their stage daring. Through interactive activities, such as role-playing and public speaking exercises, students will learn to overcome their fear of performing in front of an audience.

Another objective of this seminar is to introduce students to the concept of competition, students will learn to develop their competitive skills and strategies. This will help them to build resilience and determination, which are valuable life skills.

A key objective of this seminar is to increase students' confidence in their abilities. Through positive feedback and constructive criticism, students will learn to trust themselves and their instincts. This will help them to become more self-assured in their personal and professional lives.

Another objective of this seminar is to help students prepare for exams as by engaging in discussions and activities related to the topic, students will deepen their understanding of the subject matter and its relevance to their lives. This will help them to develop a more holistic perspective and to apply their knowledge in meaningful ways.
